#### Amended Year End Report 11/25/2015 - 12/31/2015

##### Missing Employment Information

Contribution forms (see attached) are given to each contributor prior to the receipt of a contribution with a noted request for the employment information for each contribution above \$200.00.

Follow-up is made on those that are missing this employment information either via a letter or telephone call to the contributor (sometimes both methods are employed).

In the case of the missing information for the filed report, six (6) telephone calls were made to the contributor (Sandra Samuels) for this missing information between 2/25/15 - 3/16/15 to no avail.

All other contributors originally missing this information in the report "previously filled" were corrected to reflect the proper data in this amended report.

**"Unable to attach contribution form to report - misc. form 99 or form3".**
